Mobile Phones – On the School Site

Please remember that, due to safeguarding, parents and carers should refrain from using mobile phones while on our school site. Staff may politely challenge anyone seen using a mobile phone to ensure the safety of all children.
Thank you for your support.

Inconsiderate Parking

We have been informed of inconsiderate parking around the roads outside of the school.

Please do not park on pavements, block neighbours driveways, park on double yellow lines, on corners or block the school entrance gates. Do not stop on the road to drop off children without finding a safe place to park. If you are parked in a bay, please make sure that you are fully parked in the bay and not sticking out. This list is not exhaustive, but we kindly ask all parents and carers to always consider where it is safe to park — for the safety of all our children, families and neighbours.

Parent Volunteers Needed

We are looking for any parent volunteers who may be available to assist our wonderful Site Manager, Mike, with painting some of the sheds on the playground.

If you are able to spare a little time and would like to help, please contact the school office. Any assistance would be greatly appreciated and will help us keep our school looking its best.

Thank you for your continued support.

Friends of Redhill PTA Update

AGM – Everyone Welcome!

We'd love to invite all Redhill parents and carers to our Friends of Redhill AGM on:

- **Monday 12th October**
- **6:00pm**
- **Redhill Primary School**

Everyone welcome!

The AGM is a great opportunity to hear what we've been up to, find out what we've helped fund for our children, and hear about our plans for the year ahead.

You don't need to take on a specific PTA role to get involved! Whether you can help at events, have an idea to share, or simply want to lend a hand when you can, we'd love to have you involved. **Every little bit makes a difference!**

The Pond Area is Nearly Ready!

We're so excited to see the new pond area at school taking shape!

The Friends of Redhill PTA are incredibly proud to have sponsored the project using funds raised by our amazing Redhill families. It's fantastic to see the money raised through our events being turned into something that the children can enjoy and learn from for years to come.

- **It's now nearly finished,** and we'll be sharing some photos with you soon!
- **We're also looking forward to an official opening very soon — watch this space for more details!**

A huge thank you to everyone who has supported the PTA and helped make projects like this possible. Your support really does make a difference.
