Congratulations to all of our children on their appointments, we know they will all be excellent ambassadors for Redhill Primary Academy and positive role models for our school community.

## Pupil Voice and Sports Group Photographs

The school photographers will be visiting on Wednesday 11th November to take pupil voice and sports group photographs.

If your child is part of a pupil voice group, please make sure they wear their badge on the day.

If your child has a school's sports kit, please remember to send it back to school before photograph day. Additionally, if it is not your child's PE day, please ensure they bring a pair of trainers to school so they can change footwear for the photographs if required.

## Breakfast Club and Afterschool Club (Annexe) Limited Spaces Available

We currently have a small number of spaces available on Mondays and Fridays for Breakfast Club and After school club (annexe).

If you are looking for additional childcare, please contact the school office to request an expression of interest form or complete one off our website in the downloadable parent forms section.

These places are limited and will be offered on a first come, first served basis. Once we reach capacity, we will unfortunately be unable to accept any further bookings.

# Harvest Festival Thank You

A huge thank you to all our families for their generous donations for our Harvest Festival. We were overwhelmed by your kindness and support.

We are pleased to confirm that all donations have now been collected by the Ironbridge Lions, who are helping to sort the items ready for distribution. In the coming weeks, some of our children will have the opportunity to help deliver the donations, supporting local individuals and families in our community.

Thank you once again for helping make such a positive difference.

## Very Special Visitors for Year 3

Linked to their learning after half-term, Year 3 had a visit from Shropshire Falconry this week. It was an amazing afternoon! The children were fortunate enough to meet several different species of owl, some native to Britain and some from as far as South America. Their keeper shared lots of fascinating information, and we can't wait to find out more in our curriculum lessons later this term.

Did you know that owls with dark eyes hunt at night and owls with yellow eyes hunt during the day?

## Safeguarding Board – Volunteers

We are still welcoming expressions of interest from any parents and carers who would like to volunteer to join our Safeguarding Board.

If you are interested in helping to support and strengthen safeguarding within our school community, we would be very pleased to hear from you. No previous experience is necessary, just an interest in supporting the wellbeing and safety of our children.

If you would like to find out more or volunteer, please email Mrs Cartwright at parentcontact@redhillprimary.co.uk

## Year 6 Secondary Applications

Please can you make sure that all secondary school applications for Year 6 children are submitted to
Telford and Wrekin by 31st October 2026.

## Personal Belongings

Please do not send children into school with personal items from home, including stationery, toys, teddies or fidget toys. We cannot guarantee that these items will be kept safe or free from damage.

If your child requires specialist equipment or sensory resources, please speak to their class teacher or Miss Harrow, our SENDCo.

Thank you for your support and understanding.

## Lost Property Reminder

We are seeing an increasing amount of lost property, particularly unnamed school jumpers and cardigans.

A simple name label can make all the difference and helps us reunite lost items quickly. Please take a few moments to check that your child's jumper, cardigan, coat, PE kit and other belongings are clearly named.
