Beach Photographs

To link to our geography theme of comparing two different places we are collecting photographs of the beach. If you haven't already done so, please can you send in a picture of your child on the beach (fully clothed please) to share with the class. Thank you.

Literacy Focus

We will continue with our story, Sharing a Shell and create some information posters about under the sea. We will talk about our favourite sea creatures and find out different facts about them. We will also be reading, Lucy and Tom go to the Seaside. We will use our beach photos to talk about our holidays and how to stay safe in the sun. We will complete different activities to link to this such as sequencing the story, talking about the characters and describing the seaside using adjectives.

Phonics Focus

Nursery 1— The children will continue to listen to different sounds in the environment and use musical instruments to create rhythms.

Nursery 2— We will continue to review all sounds and practice segmenting CVC (3 letter words) words in preparation for joining Reception, for example p-i-n= pin.

Maths Focus

In maths, we will continue to focus on Numbers 1-5. The children will explore numbers by representing them in different ways. We will continue to cover number recognition and have a go at forming numbers. The children will count out different objects and recognise quantities by sight.
