Children receive 15 hours or 30 hours of grant funding (depending on eligibility criteria) from the term after their third birthday. However, an April born three-year-old does not receive funding until September. We take children the term before they turn 3 (rising 3) but this will be fee paying. We charge £ 4.25 an hour. There will be a charge of 30p each session for a healthy snack. For more details, please refer to our Nursery prospectus on the website.
