7th December 2021

Dear Parents and Carers

We are able to offer our afterschool activity programme again from 5th January 2022 until 8th April 2022 to help parents who need childcare due to work commitments. We are conscious that our afterschool club 'Annexe' is full, and parents rely on our other clubs for managing work.

We have a brand new activity on offer, which we hope your children will enjoy.

New to the timetable Survival and Bushcraft for our Key Stage 2 children during the Spring Term. This will move to KS1 children in the Summer Term. This involves team building and parachute games, simple wood craft construction, whittling activities, outdoor art activities, weaving with willow, jewellery making, painting crafts, shelter building, knot tying skills, bread making and maybe marshmallows cooked over the fire pit.

All activities will run from 3pm-4pm (4.15pm for Cooking, Bushcraft and Basketball) up until 8th April 2022.

Please note that Dance will not run on 21st March 2022. Musical Theatre will not run on 2nd March 2022 and finally Cheerleading will not run on 17th January and 14th February 2022. The cost reflects this.

Once school competitions are allowed to commence, children who have developed through participation at clubs will be invited to attend competitions along with other selected children.

Places are limited (first come, first served) and if your child has an extra-curricular club, on a day which is not the same as their PE day, then they should bring their kit in a clearly labelled PE bag, which will be hung up in their class cloakroom.

You will be able to book a place via ParentPay on Wednesday 8th December from 10am. If you pay by vouchers please email fay.hurford@redhillprimary.co.uk with the club you require and she will let you know if there is availability before sending your voucher payment.

Yours sincerely

Claire Whiting
Headteacher
