### Grove Garden

Over the Summer, we have had many people working hard to create  
a new garden and pond area for us to enjoy and cherish. On Friday,  
we had the grand opening and a special visit from Mr Bloom.  
Over the next few weeks, we will be continuing to explore and enjoy  
the garden looking for signs of Autumn, reading stories and relaxing  
in the new pods.

### Chickens

The chickens have now been re-homed in our wooded area. We are  
taking it in turns to look after the chickens; making sure that they  
are healthy, well looked after and loved. We will be learning all about  
chickens and the things they need as well as collecting eggs to be  
used in some baking and exploring different ways eggs can be used.  
If your child has any allergies that you have not informed us about,  
please remember to let us know.

### School Dinners

If your child is staying for a hot school dinner, please ensure that  
you write their name on the board each morning or you can indicate  
the appropriate days for the week. All dinners must  
be paid for in advance of your child's on ParentPay.
