09.01.2017

Welcome to our new children and their families.
 We are really pleased with how well the January intake of children are settling into our Nursery and are very proud of our 'older' children for looking after and helping them.

We hope you have all had a lovely Christmas. The staff would like to say a big thank you for the lovely cards and presents—we all felt very spoilt!

We wish you all a Happy New Year and look forward to being in partnership with you on your child's learning journey.

Invoices for this half term will be issued this week, so please look out for them!

Special events this half term

Monday am and pm Welly Walk
 Tuesday pm Music
 Wednesday am PE in the school hall
 Thursday am Singing and music
 Friday am and pm Show and Tell

NB: Physical development., outside in the forest, singing and music happy on a daily basis, as part of our continuous provision, so all children have these experiences even if not in on these specified days.

As you are aware we are having the final part of our new playground equipment installed—the children are all very excited to find out what it will be like! Thank you for your patience with the gates and general access to the school grounds but the safety of everyone is paramount.

Visit to Lakeside Charlie and The Chocolate Factory themed Christmas Grotto

On Thursday 8th December we all enjoyed our visit to the Christmas Grotto. The garden centre were very appreciative of your £30 donation and asked us to say thank you for donating to their chosen charities:
 Help the Heroes and Severn Hospice.

Thank you to all who attended our 'Christmas Counts '-Nursery nativity play

We were overwhelmed by the positive feedback and are pleased you enjoyed it as much as the staff and children performing it to you! It was a super start to family Christmas celebrations.

Reading books

Please ensure your child brings a book bag every day so we can change books and do guided reading with the older children . Guided reading is timetabled, but sometimes this has to change due to logistics issues, so if the book bag is in Nursery everyday this helps to ensure your child does not miss out on their reading . Our youngest children may take a book home to share, so please ask if you are unsure of how we organise this.

Cycle circus workshop by Telford and Wrekin Travel Safety Group
 Be Bright , Be Seen !

This workshop was very informative and helped our children recognise ways of keeping safe on the dark winter nights.
