

Redhill Nursery  
Redhill Primary School  
Gatcombe Way, Priorslee, TELFORD, TF2 9GZ  
Telephone: 01952 327170 or 327253

### Invoices

have been issued , make sure you have received yours and then please try to settle these asap. Thank you !

### Eligibility code Reminder

Please keep checking your emails for the date to renew your eligibility code for your 30 hour funding entitlement . It is the parents responsibility, but as a nursery we try to remind you.

If your code is not renewed before the end of the Grace period then you will lose the extended funding and this will result in your child only being entitled to the 15 hours universal funding , or alternatively paying fees for additional sessions.

Note to current fee payers , you need to apply for your code at least a half term before your child is entitled to funding. Please ask Nursery staff if you require advice about this .

### Exotic Zoo visit

We are pleased to announce that once again Exotic Zoo are visiting us to help us with our work on nocturnal animals, with a special focus on hedgehogs. Look out for the photographs !

### Water challenge

Thank you to all parents who sponsored their child to raise money for our school fund , much appreciated. The children braved the rain and enjoyed the challenge.

### Home link work

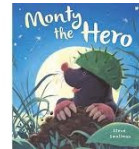

Look out for the 'How to help your child ' pack which will be sent home again, during the next fortnight. Please try to support your child , taking a few minutes a day to practise these as part of ' readiness for school ' and to promote early reading , writing and maths.

30/04/2018

### This term

We are doing literacy work based on superheroes, linked to the books of Steve Smallman (the author and illustrator who originally designed the murals in our reception playground and in the library )

Maths is also a superhero theme : learning the formation and order of numbers with engaging superhero quests.

### Hot dinners

Please make sure you sign in daily so we can give accurate numbers to the cook.

### Mufti Day

Thank you for all the fantastic tombola prizes. We look forward to seeing as many as possible at the circus on Sunday 6th May.
