Happy Holidays

The last day of term is Friday 27th March. We would like to wish you all a lovely holiday and we look forward to welcoming you back in Nursery on Monday 13th April.

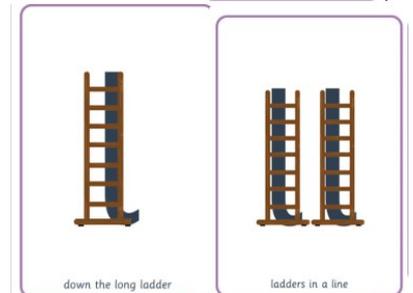

Literacy Focus

We will begin our summer term looking at non-fiction books. Our topic will be 'Toys' and we will first discuss what a non-fiction book is and what features it has. This will link to our History topic on 'old' and 'new'. We will look at old toys and compare them to new toys. We will read a non-fiction book about Toys and find out facts about old toys. The children will explore the old toys and we will find out what they are made of and how they are different from the toys we have today.

Phonics Focus

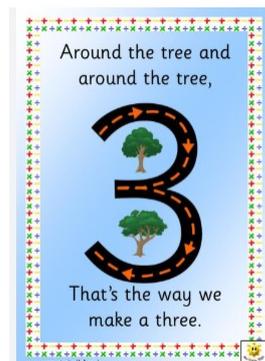

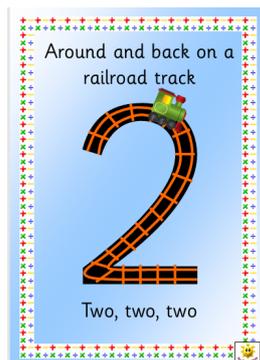

Nursery 1— The children will focus on listening games using trumpets and percussion instruments. They will look at rhythm and high and low sounds.

Nursery 2— We will focus on hearing and saying the initial sound 'l' and the end sound 'll'. We will play listening games and sort objects into the correct letter sounds. We will find words and objects in the environment that begin with the sound 'l' and find words that end with 'll'. We will also use our robot arms to sound out words such as 'let', 'lip', 'fell' and 'pull'.

Maths Focus

In maths, we will be focusing on counting and exploring number. We will count out different toys using 1;1 correspondence and look at number names. We will also be looking at formation and sing the number rhyme that supports our writing.

Talking Tubs

Your child will be bringing home a 'Talking Tub'. Over the holiday, please collect some small objects that represent some of the things that you have done. For example, a cinema ticket, a photograph, a shell, a leaf or a pebble. In class we will look at them together and recount what they have done on their holiday! Happy collecting!
