Book of Kindness

In this week's Book of Kindness, we are celebrating :

- Isaac J

Well done!

End of Year Parties

We will be holding our end of year parties over the following dates:

- **Monday 13th July** - Miss Openshaw and Mrs Coughlan
- **Tuesday 14th July** - Miss Knowles and Mrs Richards
- **Wednesday 15th July** - Mrs Parker and Miss Gilbody; Mr Payne and Mrs Fance; Nursery
- **Thursday 16th July** - Miss Williams and Mrs Bell-Ward; Miss Price and Mrs Kirkpatrick

We would be grateful if all children could bring in one small item of party food for their own consumption on their party day. Please be aware that some children may suffer from nut allergies so we would be grateful if you did not send in items which contain nuts. On their party days, the children can stay in their party clothes all day. We hope that you can help us with supporting this celebration and know that this will be a real treat for the children who have all worked very hard over the year.

KS1 Sports Day

Our Key Stage 1 children enjoyed their annual Sports Day, where they enthusiastically took part in a range of events. The children's competitive spirit was impressive, and it was wonderful to see so many parents and families supporting and encouraging them throughout the morning.

The pupils demonstrated great determination, resilience and excellent sportsmanship, giving their best effort in every activity.

Well done to everyone involved for helping to make the day such a fantastic and enjoyable occasion!

New Class Teachers

We are delighted to welcome the following three new members of teaching staff to Redhill from September.

Mrs Hounsell joins us with over 10 years of experience in education, primarily within Key Stage 1. Having previously held a position within the Senior Leadership Team at her school, she brings a wealth of knowledge and expertise to our team.

Miss Smith has taught in two schools across Telford and Wrekin and joins us from a Year 5 teaching role. We are excited to benefit from her experience and enthusiasm in the classroom.

Miss Lowndes an Early Career Teacher who completed her training with us at Redhill this year. Already a familiar face to many of our children, she has a strong understanding of our expectations, routines and values, making her a wonderful addition to the team.

We look forward to welcoming them all in September!

World Music Day

On Thursday 9th July, we will be celebrating World Music Day across the school. Each class will explore a different country and will be invited to dress in the colours of their allocated nation. Throughout the day, children will take part in a range of exciting activities, learning about that country's musical traditions, styles and genres. This will provide a wonderful opportunity to broaden their cultural understanding while developing their appreciation of music from around the world. We look forward to sharing this special celebration with the children and making it a memorable day for all.

The class colours are as follows:

Nursery & Reception

- Country: Brazil
- Wear: yellow and green

Year 1

- Country: Spain
- Wear: red and yellow

Year 2

- Country: India
- Wear: orange and green

Year 3

- Country: Ghana
- Wear: red, gold, green

Year 4

- Country: USA
- Wear: red, white, blue

Year 5

- Country: Jamaica
- Wear: yellow, black, green

Year 6

- Country: Japan
- Wear: red and white

Layering Up for Online safety

Protecting children and mitigating risk at home doesn't just mean applying a filter and changing a few app settings... it needs a layered approach, and this is where the Internet Matters 'Layering Up for Online Safety' comes in. This helps and guides you to set up devices safely across networks. There is a downloadable guide which will show you how to layer up in a simple, manageable way.

Year 4 Isle of Wight - Residential Trip

Some of our Year 4 pupils have had a fantastic week on their residential trip to the Isle of Wight. Enjoying warm and sunny weather throughout the week, the children enjoyed a range of exciting activities and memorable visits.

During their stay, they explored many of the island's famous attractions, including Carisbrooke Castle, Bembridge Lifeboat Station, Osborne House, The Old Battery, Dinosaur World, and a fascinating fossil talk. One of the highlights of the trip was the Needles Pleasure Cruise, where the children enjoyed spectacular views of the island's famous coastline.

The children were a credit to the school at all times. Their behaviour was impeccable, and they represented the school with pride and respect wherever they went. They showed excellent manners, supported one another, and embraced every opportunity with positivity and curiosity.

A wonderful time was had by all, and the trip provided many happy memories that the children will cherish for years to come.

We would like to say a special thank you to all the staff who helped make the residential trip such a successful experience. Well done!
