Welcome Back!

We hope all our families had a lovely and relaxing half-term break. It is wonderful to have everyone back in school, ready for another exciting and busy few weeks ahead!

Book of Kindness

In this week's Book of Kindness we are celebrating :

- Sarrah J

Well done!

Gazebo Request – Sports Day

We are looking to borrow a gazebo for our Sports Day events on 12th, 18th and 19th June to provide shade or possible shelter (depending on the changeable weather) for the children! If you can help, please contact the school office. Thank you for your support!

Inspirational Assembly with Gavin Cowan

On Monday, KS2 were delighted to welcome Gavin Cowan, who led a truly inspiring assembly. Gavin spoke to the children about his journey as a football player, manager, and successful business owner, including Crossbar and his charity work. He highlighted how our school values of respect, responsibility, and empathy played a key role in his success. The children were engaged throughout and left feeling motivated to apply these values in their own lives.

Bike and Scooter Storage Reminder

Please remember to store bikes and scooters neatly in the designated bike rack area. Keep pathways, entrances, and exits clear at all times and avoid leaving items near doors, fences, or walkways.

Thank you for helping keep our school safe and accessible for everyone.

Reception Sock Donation Request

Our Reception team would greatly appreciate any donations of spare socks (especially small sizes) for children who may need a change during the school day. If you have any new or gently used pairs to spare, please send them into school.

Thank you for your support!

Find the Right Words

Virgin Media and Internet Matters have released a wonderful new resource for parents/carers. Called 'Find the Right Words'. The video and resources help with some of those difficult conversations about how to keep children safe online.

Would you be interested in working with children at our Afterschool Club located at Thomas Telford Primary Free School? We are seeking a reliable and enthusiastic Afterschool Club Assistant to join our team.

We are looking for someone who can work on a casual basis to support the club on a Tuesday 3pm to 6pm, and other shifts to be discussed.

The successful candidate will support the delivery of a safe, engaging and fun environment for children after school. You will help with activities, supervise play and ensure the wellbeing of all children attending the club. We can offer you a great working environment, freedom to express and implement ideas, a supportive and friendly team, plus great professional development opportunities. A full application pack, including the job description, will be sent on request. If you are interested, please email: ttps@ttprimaryschool.co.uk

The school is committed to safeguarding children and young people. All successful candidates are subject to a satisfactory enhanced DBS check with barred list, as well as other pre-appointment checks outlined in Keeping Children Safe in Education September 2025, such as an online check, suitable references and ID checks. This post also requires checks under the Childcare Disqualification Regulations and Childcare Act 2006, which includes a criminal record self-disclosure form to be completed and returned prior to interview. This post is exempt from the Rehabilitation of Offenders Act as amended. Safeguarding policies are available on the school's website

BIG news!

The Friends of Redhill have secured Zack George, better known as 'Steel' from BBC One's Gladiators. He will be visiting our children in less than two weeks on Tuesday the 16th of June with the aim of promoting physical and mental wellbeing among pupils.

The event features an energizing assembly and interactive sessions designed to motivate children to embrace healthy lifestyles and positive mindsets.

Zack George will be sharing personal stories and practical advice about maintaining both physical fitness and mental health. How to practise mindfulness, healthy eating, hydration, and breathing techniques—tools he uses daily to stay focused and grounded.

Highlighting the value of perseverance, Zack will also talk to the children about how his own dream of becoming a Gladiator began when he was just 10 years old.

We can't wait for the children to meet him!
