Solar Panels

Over the summer holidays, the Trust has kindly funded for the academy to have solar panels installed. We are very grateful for this investment and look forward to seeing a reduction in electricity bills, for the academy to be energy efficient and have energy independence.

Children's Sight Tests

Please remember that children are entitled to free NHS sight tests at opticians. If you don't take your child regularly for a sight test, please consider making an appointment so that any issues that may arise can be picked up early. Thank you.
