Comic Relief/Red Nose Day - Friday 18th March

For Red Nose Day this year, we will be selling some red noses in school.

We only have 240 noses to sell.

If you would like to purchase a red nose for your child, please pay £1.50 on ParentPay. Your child will be given one of the red noses. We are sorry, but you can not stipulate which red nose design your child would like. They will be handed out randomly.

We do hope you will join us in raising some money for this historic charity.

If you do not manage to buy one from school, they are also being sold in Sainbury's.

'No Outsiders' Pupil Voice Group

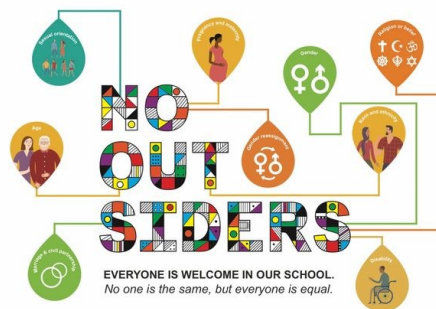

I would like to share with you the name of three more members of our 'No Outsiders' group:

Paige Bennett

Maisie Beeston

Melody Onuoha

I am looking forward to meeting you all over the next few weeks and can't wait to hear some of your ideas.

Dates for your Diary

With more events for the children being planned, please remember to check dates on our online calendar:

<https://redhill.ttsonline.net/page/school-calendar>

Please note that you are able to subscribe to the calendar and add the dates to your Outlook or IOS.

Dear Zoo

Reception had a fantastic morning, on Thursday, at Theatre Severn watching Dear Zoo performed. We loved seeing the story acted out on a real stage and had so much fun jumping with the frog, scaring the lion and joining in throughout the story.

Celebration Assembly

These children have received celebration awards from their teachers.

Year 1 and Year 2 Boys and Girls Football Tournaments

This week, the Year 1 and Year 2 boys and girls went to Grange Park to play in tournaments against five other schools.

On Tuesday, the girls finished 3rd and showed great enthusiasm and effort.

On Thursday, the boys won their competition; scoring 37 goals and only conceding 1 goal.

Well done to both teams. We are very proud of you.

School Football Week

This week, we have been taking part in Schools' Football Week.

Schools' Football Week is an ongoing ESFA initiative designed as an opportunity for schools, teams and clubs from across the country to embrace schools' football and the wellbeing benefits it provides to pupils and players.

As part of this, the children have been completed lots of activities and they have specifically been looking at a Powerpoint of the Premier Leagues values and how these can be used during their PE sessions.

Safer Internet Day 2022 | Tuesday 8 February

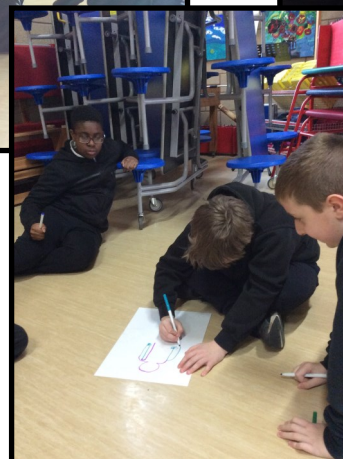

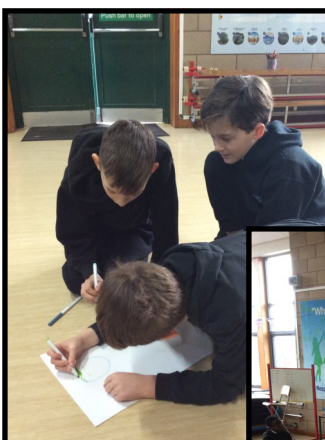

Coordinated by the UK Safer Internet Centre

This week, children from KS1 and KS2 have taken part in online safety workshops led by the talented professionals at One Day Creative.

In Year 1 and Year 2, children explored the world of online gaming, developing strategies for staying safe online and celebrating what's great about the internet.

In Year 3 and Year 4, children learnt about in-app purchases and age ratings, exploring the terms 'habit' and 'addiction.'

In Year 5 and Year 6, children discovered how images in the media (including online) do not always reflect reality and discussed ways to encourage positive body image.

It has been an important week this week for one of our many pupil voice groups: the E-Safety Committee.

Representatives from the committee planned and delivered assemblies to KS1 and KS2 on Thursday. The children used Microsoft Teams and PowerPoint to deliver virtual assemblies and did a fantastic job!

Belle and Zoe from Year 6 led the assembly for KS1, and Josh and Holly from Year 6 led the assembly for KS2.

Well done children!

IMPORTANT E-SAFETY RULES!

If you need to bring a mobile phone into school, you must hand it to your teacher first thing in the morning and it will be stored in the school office until the end of the day.

You are not allowed to go on any social media websites whilst at school or using school devices.

IMPORTANT E-SAFETY RULES!

You should only share your usernames and passwords with a trusted grown-up, not a friend.

You should not use your real name on the internet.

**GUESS THE
AGE RATING**

- As the logos of various apps and social media sites appear, guess the age rating in your classes!
- How many can you get right?

On Monday this week, all children from across school took part in an assembly delivered by representatives from the children's mental health charity, Place2Be.

Featured in the assembly were high-profile stars such as Olivia Coleman and Oti Mabuse as well as children from primary schools across the country.

The theme of the assembly was 'Growing Together' - children were encouraged to think about the people in their lives who help them grow and develop and who they can turn to for support.

Following the assembly, children created their own 'Support Balloons' which gave them an opportunity to further consider their own support networks.
