Book of Kindness

In this week's Book of Kindness we are celebrating :

- Sienna H

Well done!

School Photographer Visit – Reminder

A quick reminder that the school photographer will be visiting on Monday to take class photographs and also individual photographs for our Year 6 children.

Please ensure children come to school in full school uniform and are ready for their photos.

! Playground Safety Reminder !

We kindly remind all parents and carers to closely supervise children on both the main and little playground at collection time. For health and safety reasons, children must not use the playground equipment while waiting for siblings to come out of school.

Thank you for your support in helping us keep everyone safe.

Steam Parental Controls

Steam is a huge digital distribution platform for PC gaming and hugely popular with children and young people. Basically Steam acts as a storefront, installer, launcher and social network for 30,000 games. Because of the vast range of games, some of which will not be suitable for children, it's important that parents understand the controls that are available to them on the Steam platform. Internet Matters have a 1-minute video on YouTube which will help with this.

Community Kindness Box

The No Outsiders group created a shopping list of essential products to set up a Community Kindness Box. Working in partnership with the Ironbridge & Severn Gorge Lions, we were delighted to receive funding to help make this idea a reality.

On Wednesday last week, we met with the No Outsiders group from Thomas Telford Primary Free School to collect our shopping from Asda. The purpose of the Community Kindness Box is to provide members of our school community with access to basic products in a safe, supportive, and non-judgemental way.

The box is inclusive of all families and has been thoughtfully placed in the disabled toilet in the main reception area to allow discreet access. Please contact a member of the school office should you require any items due to these having to be stored securely out of the children's reach.

Year 5 and 6 Girls Crossbar Cup

A huge congratulations to the Year 5 and 6 girls football team who represented Redhill at the Crossbar Cup on Wednesday. Both teams played exceptionally well, showing fantastic determination and teamwork throughout, resulting in the one team winning all six of their matches and becoming Crossbar Cup Champions! We are so incredibly proud of each player who represented the school so brilliantly.

Well done!
