Year 3 /4 Girls Football Final - AFC Telford

A huge thank you to everyone who gave up part of their Sunday to come and support the year 3 /4 girls in their cup final.

The girls were outstanding throughout and showed incredible determination, resilience, and teamwork, and played some of the best football, giving Grange Park a real challenge.

They should all be extremely proud of themselves, they certainly made Redhill proud!

Year 6 Treat

To celebrate all of the hard work the children have put in during this week of SATs, they enjoyed a well deserved treat after completing their final test. Although they had been looking forward to a lakeside walk and picnic, the weather had other plans! Instead, they enjoyed their picnic in their classrooms and spent the afternoon playing dodgeball and watching a film. It was a fantastic opportunity for them to unwind and spend time with their friends.

We are so impressed by all of the children's effort, focus and positive attitude they demonstrated throughout this week, well done to all of them!

Writing Competition for Year 2 to Year 6

Year 2-6 will receive a letter next week regarding an optional writing competition to celebrate the reopening of the Ironbridge Museums this summer. This challenge has come directly from Shaun Davies, Member of Parliament for Telford. Please read the extract from his letter below which outlines the competition.

Pupils are invited to write a letter explaining:

1. Why Telford's green spaces matter to them
2. What environmental issue they are concerned about
3. What they would like their MP to do (for example, protect a park, reduce pollution, plant more trees)

Teachers are asked to select one winning pupil from their school, who will then receive a family pass (admitting two adults and up to six children) to visit the Ironbridge Gorge or other National Trust places this summer.

We look forward to reading the ideas shared by the children and wish everyone lots of luck.

Keeping Hydrated During the School Day.

Please can every child bring a water bottle so that they can keep hydrated during the school day.

Only water is allowed in water bottles unless a medical reason is provided.

Thank you.

How to Talk to Children if they see Traumatic Events

Many children will have seen or heard some of the horrific events that have been happening recently. Whether that's on the news, someone discussing it, or perhaps online, children can be traumatised by what they are seeing and hearing.

The article linked below from The Conversation discusses the issue and gives some really good advice.

Viral Trend Risks Causing Severe Burns to Children

Children and young people are microwaving squishy silicone toys after seeing online videos claiming this makes the toys softer and more pliable. When the toy is squeezed afterwards, it bursts and sprays boiling material, which reportedly has left children's hands and faces seriously burned.

Special Change to the Menu -Thursday 21st May 2026

On Thursday 21st May, we have a menu change, so please add the change to your diaries.

Thursday 21st May is school census day.

On this day, we provide information to the DfE which dictates how much funding the school receives. As you know, the more funding we receive, the better provision we can provide for the children.

One of the key funding categories is how many children stay for Universal Free School Meals (UFSM) on census day.

All children in Reception, Year 1 and Year 2 are entitled to a free meal (hot dinner, jacket potato or sandwich) every day. Some parents choose not to take this offer and supply their children with a packed lunch. We always try to ensure that on census day one of the more popular meal choices is available.

This census day will see the kitchen providing a **chicken tenders or vegetarian tenders**, fries, sweetcorn and peas.

There will be a choice of tomato and barbecue sauce.

The pudding will be 'chocolate concrete' alongside the normal choices of fruit and jelly - see the flyer below for further details.

Please remember there is also the school sandwich, which you can pre-order, or the option to have a jacket potato; these are also very popular for many children.

We would like your help to try and encourage your child to take up the UFSM offer and if at all possible, try it out on Thursday 21st May.

Thank you.
