## Would You Like to Sponsor Our New Football Kit?

We're looking for a sponsor to help provide a new football kit for our school team. If you or your business would be interested in supporting us, we'd be grateful to hear from you.

## Mobile Phones – On the School Site

Please remember that, due to safeguarding, parents and carers should refrain from using mobile phones while on our school site.

Staff may politely challenge anyone seen using a mobile phone to ensure the safety of all children.

Thank you for your support.

## Online Safety Update

When you're looking at whether apps and games are safe and appropriate for your child, Common Sense Media is a good place to start as they have thousands of unbiased and up-to-date reviews which can be really helpful for parents over and above age ratings. However, when it comes to games specifically, there's an equally great site which is often overlooked called The Family Gaming Database. This is a fantastic resource with a plethora of information for families and currently 3,485 video games and 197 board games already reviewed.

Should you require any additional advice or support, please contact Mrs Coughlan via the school office.

## Big British Birdwatch 2026!

This year, we are excited to be taking part in a whole-school fieldwork project as part of the Big British Birdwatch 2026!

You can also join in at home by taking part in the Big Garden Birdwatch, the world's largest garden wildlife survey. Every year, hundreds of thousands of nature lovers help build a picture of how garden birds are doing. Why not join the fun?

How to take part at home:

\*Choose one hour between 23rd and 25<sup>th</sup> January.

\*Only record the birds that land in your garden or outdoor space.

\*For each species, record the highest number you see at any one time.

Follow the link below to download the free PDF recording sheet. If your child would prefer a paper copy, please ask their class teacher.

Have fun birdwatching, we can't wait to see what you spot!
