#### Jubilee Picnic

Unfortunately, due to the weather, we had to put in place an alternative plan, at very short notice, for the picnic today, so that we could still welcome parents/carers into school. We hope that those of you who were able to attend still had a lovely time.

Due to health and safety reasons, we need to know the number of adults/visitors on site, which is why we use a booking system for these kinds of events. This is to help protect children who are in our care; it also allows us to meet our responsibilities if an emergency situation occurs. Please can we remind you that all of our staff should be spoken to with respect.

#### Jubilee Celebrations

It has been a wonderful day at Redhill celebrating the Queen's jubilee. We have been overwhelmed with the effort that children (and some parents) have made to dress up in their chosen decade.

This morning, the whole school went out onto the playground to take part in a fashion show. They had the most amazing time strutting their stuff down the catwalk!

We also had our jubilee picnic (inside due to rain!)

#### Year 6 SATs

We would like to say a HUGE well done to all of our children in Year 6 upon the completion of their SATs last week. We are so incredibly proud of how hard they have worked leading up to this week and during the tests themselves. We enjoyed early morning breakfasts together from Monday to Thursday and rounded the week off perfectly this afternoon with a lovely walk and picnic by the lake (including ice lollies from Mrs Whiting!), followed by multiple rounders games on the field once we returned. We know that all of the children did their best during this week and that is all that we ever ask of them.

### Photograph Proofs

Please remember that if you wish to order a school photograph, the deadline for ordering is Wednesday 25th May.

### Parking - Doctors Surgery and Elements Hairdressers

Please do not park in front of Elements Hairdressers or in the designated Doctors surgery parking. This includes the Doctors' staff only car park (through the metal gates) and the allocated spaces directly outside the hairdressers and the surgery.

Thank you.

### Year 3 and Year 4 Temple Visit

This week, Years 3 and 4 had the pleasure to visit Balaji Hindu Temple (also known as Sri Venkateswara Temple) in Tivdale. This was to consolidate our learning about Hinduism. We discussed why it is important to learn about different religions and how real respect only comes with understanding. We visited the main temple as well as some of the other shrines, including the shrine of Lord Shiva.

We learnt that all these different Gods are manifestations of the One God - Brahma.

The sun shone upon us and we had a fantastic day!

### Art Competition

A big well done to our Year 5 children who recently entered an art competition. The work below has been selected as the top three entries and will be displayed at a celebration ceremony. We would like to congratulate all those children who entered the competition and the successful winners.

## Premier League Primary Stars National Final Year 5/6 Girls (Representing Wolves)

### **Bristol Rovers 1-0 Wolves**

Bristol Rovers took an early lead and despite constant pressure and fantastic attacking play from Maisie, Harriet and Gracie Jones we could not quite pull it back.

### **Southampton 0-1 Wolves**

A great early goal from Gracie Jones put us into the lead. There were several passages of excellent defensive play from Belle and Amreen, linking well with our goal keeper, Paige, to ensure Redhill and Wolves came home with the win.

### **West Bromwich 1-0 Wolves**

A great game where we dominated the play. We had 8 fantastic shots on goal but unfortunately one late break away and one shot on goal gave West Bromwich the win.

### **Newcastle 1-0 Wolves**

Another fantastic game where we spent more time in their half but were unable to score the goal needed. Gracie Ferguson made fantastic links to the attackers and Ruby stood strong in defence, with fabulous runs down the sideline.

The girls have done amazingly! They are in the top 20 teams nationally out of 1009 entries.

## Year 3/4 Boys County Cup

Our year 3/4 boys team performed outstandingly in their final yesterday with a convincing 2-0 win. All of the boys showed fantastic teamwork and determination to secure the victory. Not only is this their second trophy of the season, but they are also undefeated this year. Well done boys!
