# Mail on Friday

## Redhill Primary Academy and Nursery Weekly Newsletter

Email us at: [parentcontact@redhillprimary.co.uk](mailto:parentcontact@redhillprimary.co.uk)

### Sports Days

We hope that you enjoyed watching the sports days over the last two weeks and enjoyed cheering the children on.

A huge congratulations to all the children. They had lots of fun!

Well done to you all; you have made us very proud by demonstrating fabulous sportsmanship and all of our values.

Whole school results will be announced before the end of the term.

### Healthy Lifestyles Week - w/c 26th June

Next week is Healthy Lifestyles Week here at Redhill Primary Academy.

We have some wonderful things planned to ensure that children have the opportunity to once again learn how we can lead a healthy lifestyle through a balanced diet, physical exercise and looking after our mental health.

We are welcoming a special visitor into assembly to start our week on Monday. On Wednesday, all children will take part in a Let's Get Fit workshop run by Fit4Kids. At the end of the week, the children will all have time to enjoy some inflatables, which have kindly been donated to us free of charge by Crossbar.

The teachers also have a range of activities planned throughout the week.

We look forward to sharing these experiences with you in the next week's Mail on Friday.

### A Mental Health and Wellbeing Resource for Parents

We would like to share with you a host of videos created by Impact Education for Mental Health Week. These short videos are for busy parents and carers wanting to know how to support their child's mental health and wellbeing.

<https://www.dragonflyimpact.com/MHweekvideos>

We hope you find them useful.

### Year 6 Treat

The children have re-voted and have decided to change their cinema booking on Monday 17th July from Mario Brothers to Spiderman.

### Young Carers Fun Run

Firstly, we would like to thank those who have already donated to our Young Carers Fundraiser. As mentioned in last week's MOF, the children of Redhill will be completing a Fun Run on the 11th July. Our goal is to make sure their experience is as fun as possible for all their hard work. The School Council have come up with some lovely ideas from bubble machines to biodegradable confetti cannons to music, but we need your help! Would you consider donating or loaning any of the equipment mentioned to help us achieve our mission? Or do you know of any local companies who may be able to support our Fun Run in aid of Young Carers?

If so, please contact the school office using the email address: [parentcontact@redhillprimary.co.uk](mailto:parentcontact@redhillprimary.co.uk)

Many thanks for your continued support.

The School Council

### Big Bang Science Fair

Some of our Y6 children got the chance to visit the Big Bang Science Fair this week where they got to engage in lots of hands-on activities and find out about exciting STEM careers.

### Nursery - The Gingerbread Man

Nursery have been looking at the story 'The Gingerbread Man'. We have sequenced the story and retold it using masks. We have also made gingerbread men to eat! This linked to our maths on capacity, where we followed a recipe and measured out different quantities to make the gingerbread dough.

### Redhill Sports

On Tuesday, several children from Redhill took part in a Telford and Wrekin Multi-Skills Festival held at Oakengates Tennis Centre. The students did an amazing job throughout the course of the day and represented the school perfectly.

On Wednesday, year 3 and 4 children took part in the ESFA mixed 'Kick Around' Football Tournament which was held at Telford College. The group played some lovely football throughout the competition, both collectively and individually. They showcased some brilliant defending, not conceding a single goal, in the competition. The children went on to win the tournament 1-0 vs Grange Park in the final and brought home the trophy.
