Christmas Nativities and Performances

We would like to invite you to our Christmas performances, which are taking place during December. As always, places are limited to two per family in total. This is due to the health and safety restrictions of our school hall.

There is no cost involved, but you must book your place via ParentPay. There are only 120 places available for each performance and only 1 ticket will be issued if you do not mention the number you require in the comments section (maximum 2 places). When you book on ParentPay, a register will be created of who is attending, therefore we will not be issuing tickets this year.

On your arrival at the hall door, you will give your child's name, so that you can be signed in. Please remember, places are limited to two per family in total, not two per performance.

The option to book is available on ParentPay.

Nursery and Reception Thursday 30th November at 2.00pm or Friday 1st December at 9.30am

Year 1 and Year 2 Thursday 7th December at 2.00pm or Friday 8th December at 9.30am

Year 3 and Year 4 Thursday 14th December at 9.30am or Friday 15th December at 2.00pm

Year 5 and Year 6 Carol Singing (no need to pre book) Tuesday 19th December at 6.00pm (no crèche available, but siblings can attend.)

Please note that the closing date to book on ParentPay is Wednesday 29th November, so please ensure that you have secured your places by then.

Afterschool Chess Club

We are not able to release the chess club on ParentPay this afternoon at 4pm. Unfortunately, we have heard today that the chess club leader is now unable to commit to the sessions in the New Year.

We are sorry for any disappointment this may cause.

Parent Drop Ins

Parent drop-ins have now ended for the year due to other commitments happening in school.

We hope that you have found them useful as we have enjoyed welcoming you into the classrooms.

They will restart in the new year. The dates will be published on the Mail in January.

E-Safety Assembly - Thursday 23rd November

Yesterday, Mrs Coughlan led another E-Safety assembly for KS2. We returned to the 4Cs (Content, Contact, Conduct & Commerce) which are the four categories of online risk.

We also reviewed and discussed our school online safety rules - the children were reminded that school can support them with any online safety issues, whether they occur at school or at home.

Coats

Please can you make sure that your child brings a coat to school. Children will not be able to go outside at break and lunchtimes without one. Thank you.

After School Club Job

We have some hours available at our after school club for somebody interested in working with children.

Hours range from 3–12 per week.

If you are interested or know somebody who may be, please contact Mrs Bate for a job pack.

Thank you.

Road Safety Awareness! Nursery and Reception learnt all about how to be safe on the roads! They took part in lots of road safety activities.

Computing Quality Framework

We recently signed up to the Computing Quality Framework which is a review and development process led by the National Centre for Computing Education. Our aim is always to provide the best possible learning experiences for the children that we teach. We can't wait to get started!

This is to confirm that

Redhill Primary Academy

Has made a commitment to review and improve their computing curriculum by registering for use of the NCCE Computing Quality Framework.
