Dear Parents and Carers of Reception Children

**Please may we ask for your co-operation in a very important matter.**

One of our pupils is receiving medical treatment for cancer, which puts them at risk if they are exposed to measles, chicken-pox or shingles.

Please let us know immediately if your child is suspected of having measles.

Our pupil is also at risk from chicken-pox, and would need to be given an injection within three days of contact. If your child is suspected of having chicken-pox, you should let us know immediately.

It is also important that you let us know if there is shingles in your household.

Your child is not at any risk whatsoever from this situation. However, the health and well-being of our pupil who is at risk, does depend on the co-operation of all other parents and we hope you can help us.

Yours sincerely

Claire Whiting  
Headteacher

*"What we instill in our children will be the foundations upon which they build their future" - A Valued Member of Redhill embodies this through our core values of respect, friendship, responsibility, empathy, honesty & independence.*
