8th June 2021

Dear Parents and Carers of Years 1 to 6

As part of your child's education at Redhill Primary Academy, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic Education programme.

PSHCE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

During the last half term of the school year, your child will be taking part in a number of lessons which will focus on the relationships aspect of PSHCE. At Redhill, we choose to follow Shropshire Council's 'Respect Yourself' programme. This has been nationally recognised, is informed by good practice guidance and has received the quality kitemark from the PSHCE Association. The programme balances elements such as understanding changes, life cycles and hygiene, with content on relationships, feelings and values.

As a school, we are committed to working in partnership with parents. Attached to this letter, you will find a guide for parents that accompanies the programme so please take the time to read through this.

If you have any questions or would like to find out more about your child's relationships education, we would like to invite you to attend a parent information Teams session on Tuesday 15th June from 10.30-11.30 to discuss what your child will learn and the materials and resources used in lessons.

If you would like to attend the meeting, please complete the link below:-
